

## Healthcare Provider (NY or AZ)

Camp Tuku is a 501(3)(c) non-profit organization that embraces the traditional sleepaway camp model with a mindfulness approach! We serve girls and boys ages 6-17 from all over the country and welcome them to their home away from home for the summer.

In everything we do – from yoga, innovations, archery, low ropes, arts & crafts, cooking, and more – we do it mindfully; always integrating the mind, body, and heart to build resilience in our campers and staff!

### Description of the role:

Our Healthcare Provider's primary responsibility is to oversee the health & safety of our campers and staff.

### Responsibilities

1. Provide health care to meet the individual needs of camp staff and campers.
2. Handle health emergencies and injuries, including emergency preparedness and provisions for professional healthcare.
3. Deliver and administer medications to campers and staff according to the schedule on file.
4. Maintain accurate and detailed medical records according to state and American Camp Association Standards.
  - a. Prepare and utilize daily medical log for treatment and medications.
  - b. Prepare and record insurance and accident report forms.
  - c. Report required incidents to the local health department within 24 hours.
5. Oversee first Aid procedures and supplies.
  - a. Inventory and order all necessary medical supplies and equipment.
  - b. Prepare and distribute first aid kits throughout camp including camp vehicles, kitchen, offices, waterfront, activity areas, and out-of-camp trips.
6. Ensure a staff orientation session is delivered on medical services.
  - a. Ensure camp staff and campers know their role related to health care and first aid.
7. Screen all campers and staff who are arriving and departing camp.
  - a. Verify health history. Examination, and emergency authorization
  - b. Identify any observable evidence of illness or communicable diseases.
  - c. Keep all medications used by campers and staff.
